Dear St. James families,

Learning celebration:

Yet again another busy week of learning celebrations. It started with two musical performances, with Romy (year 6) playing us in on her guitar, followed by year 2 performing a brilliant song they had been learning in music; a well earner Headteacher's Award!

There has been some more great learning happening at home, including pyramids from year 3's Ancient Egypt history topic, the River Ganges from a RE unit and a brilliant room tidying robot!

We also had more sporting success in gymnastics, swimming and dance.

We also heard from a group of year 5 and 6 girls who had the opportunity to visit Williams F1 to hopefully inspire more women into engineering!
