Dear St. James families,

As we reach the end of a busy week, I want to thank children, staff and parents for some wonderful moments this week! A huge congratulations goes to the Year 6's for brilliant SATs results that they should feel very proud of! Thank you to so many of you who were able to come and support the children at Sports Day. I have had lots of positive comments about how inclusive it was and I loved the fact that the children had been involved in choosing and designing some of the events. Well done to Mr Cockerham for his hard work organising it all! Transition Day was another highlight of the week and I had so many happy smiley children at the end of the day looking forward to what next year holds! I would also like to thank the parents who were able to come to the vision sharing events, hopefully they helped to strengthen the direction of the school moving forward. Watch out for further vision, website and curriculum news in the end of term newsletter next week.

PTA:

Party in the park - 15th July 2023 - We need your support!

The big day has finally arrived! I have everything crossed for good weather but with the enormous effort that I know people have put into making this event, it's going to be a wonderful community event, not to be missed!

Thank you to everyone who has already signed up and the team who are working so hard to make this a great community event. All the funds raised will go to making our school an even more wonderful place for the children!

Learning celebration:

I slightly longer than normal celebration collective worship, started with the awarding of medals to the winning teams for sports day. Congratulations to all the children who participated for making it such an enjoyable event!

Well done to Inkpen class this week, who all received a Headteacher's award for their wonderful performance of Snail & the Whale, including a brilliant song and wonderful actions!

There were also lots of out of school achievements to celebrate. Well done to all!
