

## PE funding 2015-2016.

The Government continues to provide funding for all primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can be spent on sport and PE provision in school and also to improve the health and well-being of students.

### How will we spend the allocated money?

**Impact of spending will be evaluated at the end of the school year.**
