

Term 4 Homework project

Find out about Mary Anning and Inge Lehmann. Choose one of them to research in more detail.

- Where and when were they born and when they died.
- What did they discover, why are they important?
- 3 Fab facts about them
- Why you decided to choose this person.

Present what you have found out in any way you choose and send it as a video, photo or a test file on your Portfolio.

Term 4 Times Tables

Children will be learning and recalling the 3, 4 and 8 times tables facts. By the end of term 4 they should have automatic recall of all these facts. Go to www.timestables.co.uk and <https://www.topmarks.co.uk/maths-games/hit-the-button>

Term 4 Spellings - Tricky Words

enough	address	learn
century	thought	island
library	guard	exercise
business	build	fruit

As readers we will:

Our class text this Term will be DK Find Out - Stone Age. We will be learning about and using the key features of a Non Fiction Text.

We will also be listening to the story The Boy with the Bronze Axe. Links to this will be added to the Class Story on Class Dojo so you can listen at home too.

As writers we will:

Write to Inform

Using the story How to Wash a Woolly Mammoth we will be learning how to write instructions as well as writing postcards based around the story Stone Age Boy.

Handwriting:

We will continue to work on joining our handwriting focusing on the size and position of letters and spacing.

As mathematicians we will:

Learning the 3, 4 and 8 times tables - recalling facts quickly and confidently.

Learning how to multiply and divide larger numbers using formal written methods.

Solving problems relating to multiplication and division.

As scientists we will:

Learn about Rocks and Soils. We will classify rocks in a range of ways based on their appearance, observe how rocks change over time and find out how fossils are formed. We will also be looking at what soil is made from.

As historians we will:

Find out about life in the Stone Age including what they ate and cave art as well as using research skills to find answers to specific historical questions.

As designers we will:

Making Stone Age Bread and designing a piece of Stone age jewellery.

As artists we will:

Creating Stone Age Art

As sports people we will:

Following a map in a familiar context.

Using clues to follow a route.

Following a route safely.

PSHE

This term we will cover 'Dreams and Goals. We will be looking at how we can look after our bodies and how to keep them safe from things that will harm it.

R.E.

Our big question this term is 'What is good about Good Friday?'

We will be listening to the different parts of the Easter story and investigation what Christian believe.

If you would like further information about any of our areas of learning this term, please don't hesitate to ask.
